## SPRING 2024 OPPORTUNITIES

### SIGNATURE EVENTS

*in-person*

**Friday, March 29, 2024:** Inclusive Recruiting Summit  
Registration fee: \$200 for for-profit employers, and \$100 for non-profit employers.

---

### CAMPUS CENTER TABLING

*in-person*

**Monday – Thursday, 11am – 2pm**  
Available to both employers and graduate school representatives at the Lulu Chow Wang Campus Center.  
Table reserved by Career Education.

---

### EDUCATIONAL WORKSHOPS

*in-person or virtual*

Coordinated in collaboration with Career Education Advisors during pre-planned times of the semester.

---

### INFORMATION SESSIONS

*in-person or virtual*

In-person information sessions are available on Tuesdays, Wednesdays, or Thursdays from 5-6 pm.  
We suggest holding virtual sessions in the late afternoon or early evening, Monday through Thursday.

---

### COFFEE CHATS

*virtual*

Any date/time defined and coordinated by employers/graduate school representatives.

### ON-CAMPUS RECRUITING

*in-person*

Interview space is available in the Career Education office suite Mondays and Thursdays during the academic semesters. Employers request an on-campus recruiting day/schedule via Handshake. Employers are able to offer virtual interview schedules at any time.

---

### EMPLOYER PARTNERSHIP

*opportunities*

#### 1. Premiere Recruiting Employer Partnerships

For employers that would like full access to bespoke programming (up to 3 annual engagements) we offer additional customizable services for employer partners. To become a Premiere Recruiting Partner, employers make an annual gift of \$5,000 (\$2,500 for non-profit organizations). This gift goes directly to student preparation grants as part of the Career Education's commitment to inclusive excellence.

#### 2. Internship Partnerships

Wellesley Internship Partners offer a minimum of one summer internship exclusively designed for a Wellesley student. In return, employers receive early access, full campus marketing and branding, and Career Ed preparation of students and pre-screening of materials. For-profit employers provide a minimum of \$5,000 total compensation to student(s) for summer internships. Nonprofit employers may be eligible for Career Education funding grants.
